

MDAD #NAD2020 Day Two [TRANSCRIPT]

Hello MDAD members, I am your appointed board member, Jade Sims, here to share with you what has been happening lately and to give you a recap. Today is October 2nd, second day of NAD virtual biannual conference. The MDAD delegates had the opportunity to meet and discuss with NAD Vice President candidates Richard McCowin and Amy Gomme. We continued the COR meeting from yesterday and received our committee reports. After that, we discussed NAD bylaws and proposed amendments, discussed in depth with priorities to focus on but the time ran out so this discussion will continue tomorrow. Tonight we had our Region I caucus focusing on priorities and we had our forums where we gathered community input. The forum helped MDAD delegates to look into what to propose at the COR meeting tomorrow. Thank you to the community for sharing with us. For tomorrow, we will have an election for NAD board members and I should warn you we may have some delays because we are not finished with our bylaw amendments. Thank you to MDAD members for your continued support and look forward to the NAD virtual conference tomorrow. It has been wonderful. Good night to the MDAD community. Bye.
